Summary

First-Class Computer Science graduate. Since graduating I have built and launched Quire (co-developed) and DrivePro. Final-year project: Intelli-Factory. Commercial experience: Python Telegram bots integrated with a CRM.

Technical Skills

Languages: Python, TypeScript, JavaScript, SQL, HTML, CSS; Java (academic); PHP (basic)
Frontend: React, Next.js, React Native/Expo, Tailwind CSS; Vue 3 (basic)
Backend: FastAPI, Node.js, REST APIs; WebSockets (basic)
Databases: PostgreSQL, MySQL, SQLite
Testing & DevOps: pytest, Playwright, Docker, GitHub Actions CI/CD, Git, Linux
Cloud: Oracle Cloud, Vercel, Render, GitHub Pages

Experience

Software Developer, Telegram Bots & CRM Integration Feb. 2024 – Sep. 2024
Papa Gadget, mobile, PC and smart-device repair *Almaty, Kazakhstan*

- Built **two Python Telegram bots** in a two-person team: a staff intake bot writing to the **RemOnline** CRM, and a customer promotion bot
- Moved device intake from paper into the bot, cutting manual data entry by **roughly 30%**

System Administrator Assistant (Internship) Sep. 2023 – Oct. 2023
Kazakhfilm *Almaty, Kazakhstan*

IT Support Intern (Internship) Jun. 2023 – Jul. 2023
Kaspi Bank *Almaty, Kazakhstan*

Projects

Quire, documents and cloud collaboration | *Tauri 2, React, TypeScript* 2026 – Present

- Live: app.thequire.app. Co-developed with my brother
- Opens PDF, Office, EPUB, media and archives; PDF editor; cloud feature with rooms joined by key, real-time co-editing and calls

DrivePro, carpooling in Almaty | *React Native, Node.js, SQLite* 2026 – Present

- Live: app.drivepro.dev
- Route planning with lifts matched to the driver's route; **GitHub Actions** CI/CD

Intelli-Factory, final-year project (84%) | *FastAPI, Next.js, PostgreSQL* 2026

- Live: intelli-factory.duckdns.org. B2B supplier-matching platform, **51 pytest tests**
- **Genetic algorithm (NSGA-II on DEAP)**: across 3,600 runs, **17.5%** better than a greedy baseline

---

Other projects

Drive Pro Website | Portfolio | Qubly | University: Student Course Hub, Module Chooser

Private repositories, code on request: Terrain Raven, Photo to Table

Education

De Montfort University Sep. 2022 – 2026
BSc (Hons) Computer Science, First-Class Honours, 76% *Leicester, UK*

- Kazakhstan campus 2022–2025, UK campus 2025–2026

Certifications

Meta Front-End Developer (Coursera) | Cybersecurity Foundation, Palo Alto Networks (code 9A5AD9bUXV)

Languages & Awards

Languages: English (fluent), Russian (native), Kazakh (conversational)
Awards: Bronze Medal, Republican Olympiad in four subjects (2021); Gold Medal, Chernorizets Hrabr Tournament
